

# **GOLF SCRAMBLE RULES**

## **Four Person Scramble Format**

1. All team members tee off on each hole and then decide which tee shot they like the best and mark the spot with a tee or ball marker. Each member of the team must use his/her tee shot once.
2. The other team members pick up their balls and place them within one club length (no closer to the hole) of the marked spot. Each team member hits their next shot from the chosen spot.
3. This procedure is followed on every shot for the remainder of the hole.
4. You may lift, clean and place your ball within one club length on the selected shot; however, you may not move your ball out of a hazard (including bunkers), out of the rough, from the fairway or rough to the apron or from the apron to the green.
5. The ball should be marked on the putting green. Once players have reached the green, the ball may not be placed to improve a player's lie (must be placed at spot where it lies). This procedure will continue until the ball is holed out, no gimmies. Only one score per hole per team is to be recorded.

In the event of a tie in score, a hole's number will be drawn at random and the team recording the lowest score on that hole will be declared the winner. In the event the score is still tied, a progression will begin from that hole until the tie is broken. For example, if hole number 6 is drawn and the score is still tied, scores on hole number 7 will be used to break the tie, and so on.

### **GOLF ETIQUETTE:**

3. Leave the putting green as soon as you have holed out.
4. Do not play until the players in front of you are out of range.
5. Please observe all local course rules.
